## Back in the Saddle

AEP Kanawha River recently enlisted E-Crane International USA for a rebuild of their hydraulic clamshell bucket. E-Crane's Service and Parts Department completed a three week rebuild that included a new hydraulic grab rotator, hydraulic cylinders, grease lines, pins, bushings, seals, cutting edges and a fresh coat of paint.

E-Crane's Service and Parts Department has an inventory of nearly \$2 Million, and is on call 24 hours a day, seven days a week to ensure your material handling needs are serviced in a timely and professional manner.

Are you in need of new pumps, cylinders, or motors? Give us a call at (419)468-0090 or email us at [ecrane@msn.com](mailto:ecrane@msn.com)

Sincerely,  
Mark Osborne, P.E.  
President, E-Crane International, USA
